PLANTING CHURCHES IN NEW ZEALAND

October 10, 2022

Hello Friends,

We hope this letter finds you well as we have entered the last quarter of the year. This year has been filled with highs and lows: but we are looking forward with anticipation to finishing 2022 strong for the Lord.

Since we last wrote, a lot has happened both with our family and in the work of the ministry. At the end of September, our son, Kade, developed a heavy cough and difficulty breathing. We started to get concerned after a few days when it didn't get any better. The end result was him being admitted to the hospital with RSV and Pneumonia for about four days. We were so concerned, but incredibly thankful for all of you that prayed and gave. He is doing so much better now and is back to his happy self.

The Monday following Kade's release from the hospital, we received the exciting news that our visas to New Zealand were approved! We had every emotion from being excited, relieved, nervous, sad, and happy. This approval means that we will be leaving Tuesday, November 8th from the United States to New Zealand. We are so thankful for what God has done in our lives. We have learned so much on deputation, waiting for the borders to open up, and visas to be approved. God is good!

With that being said we ask that you pray for us as we make the final preparations to leave for New Zealand. We will begin packing suitcases this week and saying goodbye to family and friends in the days after that. This will be a bittersweet time, but one that we have "mentally" prepared ourselves for over the last few months. Thank you all for the prayers and support that you have given. You will never know how much that it means to us.

Never Quit.
The Freyer Family
