PLANTING CHURCHES IN NEW ZEALAND

6 February 2023

Hello Friends,

Greetings from rainy Auckland, New Zealand. We have had quite a lot of that lately, but are looking forward to what's ahead the rest of the summer. We hope you enjoy our latest update.

The holiday weeks have come to an end here in New Zealand and everyone is getting back into a regular schedule. We have a very busy and exciting month of February ahead. February 12th we will be having our Vision Sunday. The theme for 2023 will be "He is Able" from Ephesians 3:20. The following weekend we will be launching our first church-wide soulwinning outreach into the community where our church is located. Finally, the last Sunday in February will bring us to the 9th Anniversary of Community Baptist Church. We know this is a busy season of ministry, but are very much looking forward to what God will do. We ask that you pray for this month. We can plan, prepare, and perform all these events, but without the power God it will all be a failure. We are praying for souls to be saved and Christians to move forward by faith in their lives.

On the personal side of things, we have been adjusting every day to living here in New Zealand for the last three months. We are so thankful that with each day New Zealand is becoming more and more like home. Nola turned three years old last week which was so hard for both Bekah and I to comprehend. She has been through so much adjustment and change in her short little life, but has handled it all so well. Kade will turn one year old by the time we write our next update letter. He's getting so big along with getting a bunch of teeth (for those solid foods). Bekah and I are enjoying doing ministry together and learning about the culture and differences here in New Zealand. We often laugh at our mistakes and take mental notes on what to change and words to say.

Thank you so much for all of you have reached out by text or email and letters since we have been here. We are so humbled and thankful for your prayer and financial support. We couldn't do any of this without you.

Never Quit,
The Freyer Family

PLANTING CHURCHES IN NEW ZEALAND

Left: Our first summer Christmas in New Zealand.

Right: Enjoying "real fruit" ice cream, a New Zealand staple

Left: The location of where the Pacific Ocean meets the Tasman Sea. This is the northernmost portion of the North Island at Cape Reinga. We prayed with Pastor and Hera Brinkman for the lost souls of New Zealand to the south.
