PLANTING CHURCHES IN NEW ZEALAND

February 3, 2022

Kia Ora,

We pray that you and those that are around you enjoyed a wonderful Christmas season and are off to a great start to the new year. As we type this, there is a snow storm moving across our region of Ohio. Although it's cold and windy outside, we feel that we have been blessed tremendously. We hope you enjoy reading our update.

We were able to spend the holiday season with both sides of our family which was such a bittersweet time. We thoroughly enjoyed being with family, but also understood it was probably our last time all together. We were so thankful for the time with loved ones.

Nola has been growing up so quickly and just turned two a couple of days ago. She is talking so much more and makes us laugh daily. She's excited to take on her new role as big sister next month. Bekah and Nola have officially finished traveling as there are some risks with her pregnancy. She has two weekly appointments that keep her tied down to "home." Please pray with us that the baby develops and receives all the nutrients he needs to be able to go full term.

This week, we received wonderful news that New Zealand has begun a five step process to re-open their borders. Based on what the Prime Minister said, it looks like we could be heading over this summer. We are so excited and thankful for God's intervention in all of this.

We ask that you continue to pray for us as we wrap up our final meetings of deputation in the coming months. Thank you for your faithful prayer and financial support. We truly count it a privilege and honor to partner with you in reaching Kiwis for Christ.

Never Quit,

The Freyers

A few moments along the way

Left: Greg had the opportunity to witness to a man on the streets of New Orleans.

Right: Nola wearing mama's sunglasses. That California sun is bright!

Left: Baby boy at a recent ultrasound.

Right: Updated family picture.
