

Greg & Bekah Freyer

PLANTING CHURCHES IN NEW ZEALAND

July 6, 2021

Pastor,

Where has the time gone? We have officially been on full-time deputation for a total of one year now. In some aspects it seems like it was just yesterday we hit the road, and in other aspects it seems like it was a lifetime ago. We are so thankful for what God has done in the last year. We have met so many great people, seen some amazing things, and have preached God's Word to many souls. Thank you for all you do and for staying faithful this last year.

The last update letter that we wrote, I had mentioned that I had the opportunity to preach the funeral for my grandpa. The Lord gave us another opportunity to share the Gospel very unexpectedly. The last week of May we received a phone call from Bekah's mother that her brother (Bekah's Uncle) passed away. Due to how quickly he passed, the family was looking for someone to do the funeral. After many failed attempts to get someone to officiate the funeral, I was asked to do the service. I will be honest, I had no idea how it was going to work, but had been praying that God would put people in my path to share the gospel to while on deputation. I ended up saying yes, and Bekah and I drove from Oregon to Idaho after the morning church service that we had scheduled. The gospel was preached to about thirty five people. We pray that the words preached will convict those that were there. I will always be surprised when God decides to use me for His work, because I feel so unworthy. However, I'm also so thankful for all that He does in our lives each and every day.

In closing we ask that you pray for our upcoming ordination services. I will be getting ordained on July 24th. The deputation calendar slows down a bit, but it is much needed as we prepare for all that goes into ordination. The last year we have put over 48,000 miles on our van and have been in over forty states. We are thankful for God's protection and provision. We look forward to all that God will do the rest of this summer and into autumn. We hope you have a wonderful day. God bless!

-The Freyers
