PLANTING CHURCHES IN NEW ZEALAND

November 9, 2021

Pastor,

As I write this, chill of Autumn is in the air here in the state of Utah. We have seen God work in so many ways the last two months. We are overwhelmed at the goodness of the Lord and are excited for the future ahead. We hope you enjoy reading our update.

Since we last wrote in September, we have entered "missions conference season." We have been in fifteen churches with eight of those being conferences. Although it's been a lot of travel we are so thankful for those meetings. With all that is going on in our world we sometimes can be led to believe that the gospel is being hindered or slowed, but I want to encourage you today that is not the case. Churches all over America are moving forward with world evangelism!

We have a couple of highlights to share. We had the chance to help put together and pass out many John and Romans booklets in Ohio to help with a church launch that is taking place this year. It was so awesome to be a part of a brand new church plant in a very gospel needy area of Ohio. Secondly, we have been a part of putting together over 35,000 John and Romans with the help of Bearing Precious Seed Ministries. They estimate that with every John and Romans sent out, seven to eight people read it, and one will be saved! What a blessing!

As we close, we ask that you continue to pray for the country of New Zealand. The Prime Minister is really tightening up her hold on the country in regards to COVID-19. Lockdowns have been re-implemented and many churches haven't been able to meet in weeks. We know God is in control and are excited for how He is going to get us in the country.

We hope that you have a wonderful holiday season with your family and church. We are so thankful for your support both through prayer and financial giving. We are praying for you as you continue to reach those around you for the cause of Christ.

Never Quit,

The Freyers

Right: Pastor and men pray over Greg during a missions conference in Arkansas.

Left: We were able to go see the Ark Encounter!

Right: Enjoyed a steak dinner with Dr. Don Sisk, Pastor Finley, and fellow missionaries in North Carolina.
