

THE

HAS FAMILY

Dear Praying Friends,

December 2018

Glory to God! By God's grace, 2018 has been our best year to date for our family and ministry here in Southeast Asia. What a way to end the year. Thank you for faithfully standing with us through your love, prayers, and support.

Training the Next Generation: What a honor it was to complete term 13 at Pacific Baptist Bible College in Phnom Penh, Cambodia. Shortly thereafter, Thy and I traveled to teach a missions intensive at Pacific Baptist Bible College in Long Beach, CA. Then for the whole 1st week of December, I had the privilege to teach a week long intensive at the School of Ministry in a restricted access nation (this particular week started with a missions emphasis). What a blessing it was to see young adults in 3 countries and on 2 different continents with a passion to find and follow God's perfect will for their lives. Please continue to pray for their spiritual growth. God is at work in the 10/40 window; may He continues to call, train, and send forth more laborers into His harvest.

Land and Building Update: We praise God for his power, provision and perfect timing. In only two months we were able to raise enough money to pay the remaining balance of the land. A couple of weeks ago, our folks assembled, prayed, and gave glory to God on the land that He blessed us with. We are now in phase two, which is building a wall around the property, then adding dirt to raise the land. Phase 3 will be laying the foundation and building the ground floor. Please continue to pray for the necessary funds to complete phase 3; we have about 16 months before our current lease is due. We appreciate many who have prayed, and given to this special need; Thy and I have personally raised \$45,100 of the targeted goal of \$75,000. If God is leading any of you to give toward this project, please do not hesitate to contact me. Also, be in prayer for our sensitivity to God during this process. We are excited about the future location of Pacific Baptist church, college, and school.

Romdeng Village Update: Since our last update Ruem, Tha, and Koung all believed on Jesus; please pray for these new believers spiritual growth. What a joy it was to have our first Christmas service with these national believers at Romdeng Village. It's such joy to see them continue to grow in their love for God and others. Please remember Phal, Leab, Koun, Soan in your prayers for salvation. Being away from them for about six weeks, it was so refreshing to see both old and new faces in the bible study. Please continue to pray for God to work wonders in this dear village and the surrounding area; may the gospel continue to have free course.

Praying, Planning, and more Praying: 2019 is just a couple of days away; please join us in prayer for many special projects, events and changes that will come with the new year. We are thankful for what God has done in 2018 and at the same time thrilled about what God will do in 2019 throughout Cambodia and Southeast Asia. There's nothing like being in the center of God's will. We sincerely thank you for your faithfulness to our Lord Jesus and for being on this epic journey with us in fulfilling the great commission. May the Lord richly bless you!

With Grateful Hearts,
