HAS FAMILY

Dear Praying Friends,

December 2021

Happy New Year from Cambodia! What a year 2021 was for our family, team, and ministry as souls were saved, lives were changed, and a new ministry started regardless of the ongoing pandemic. Glory to God, great things He has done! Thy and I also want to say thank you from the bottom of our hearts for your faithful contributions through your love, prayers, and financial support. We couldn't ask for a better way to end the year!

Cambodia and the Coronavirus: On December 19th, our church plants officially met for the first time since March of 2021. Although we could not have a celebration service with all of our various ministries together; nevertheless, we rejoice in this answer to prayer and praise God for a wonderful restart as we begin assembling again. Please pray for wisdom, discernment, favor, and strength as we are looking to restart our Bible college, children and village ministries, and evangelism programs. With the transition back to in-person ministry, please pray as we seek to develop and continue to add to our online ministry presence, with the goal of reaching and training the nationals.

Takeo and Kampot Ministry: We were able to take two separate day trips to the Cambodian provinces of Takeo and Kampot this past month. We praise God for Rathana, Mapou, and Sopheap who all believed on the Lord Jesus respectively. Please remember them along with our other new believers in your prayers for spiritual growth. We were able to put together some Christmas bags for the village children. After our teaching time we surprised them with the bags. The smiles on their faces were priceless! We reminded them that, "Jesus loves the little children." Please pray for us as this ministry is quite a distance away and presents many challenges; may the gospel have free course.

Battambang Trip: In a week, I, along with our Team leader, Dave Board and some of our national men will be taking a trip to the Cambodian province of Battambang for a survey trip in a few different villages. There are approximately 8,500 villages in Cambodia without any gospel witness. Our vision and passion remain the same: soul winning, training nationals, village ministries, and church planting. Please pray for wisdom, traveling mercies, favor, strength, and an open door to preach the glorious gospel.

Thank you for reading till the end, though we do not want the year to end, at the same time, we look forward to what the good Lord has in-store for us in the New Year; our ministry's theme for 2022 is "That Christ May Have the Preeminence". **Thank you for faithfully standing with us in 2021, let's continue to make a difference together in 2022, for the glory of God and the gladness of the nations.**

With Grateful Hearts,
