

THE

HAS FAMILY

Dear Praying Friends,

June 2020

Thank you for being a vital part of this commission and also faithfully continuing with us on this incredible journey of reaching Southeast Asia for Christ through your love, prayers, and support. Thy and I sure do covet your prayers and also deeply cherish your fellowship in the gospel.

TEAM CAMBODIA: By the grace of God, Thy and I have been a part of Team Cambodia for the past 10 years. Strange as it may seem, this past month was a first for all of us to be able to get together like this for a memorable missionary couples' dinner fellowship. These past several years we have witnessed the mercy and grace of God upon our family, fellow missionary team, and ministry as we reflected on the church plants, Bible College, new property, and building. I sure do appreciate and need the accountability, camaraderie, and fellowship of this wonderful team that God has assembled and sustained. May the Lord continue to use us in reaching more souls, training more laborers, and planting more churches.

BUILDING: We appreciate the love, prayers, and support as our ministry dealt with a storm this past month. We praise God that the need of a new roof, drop ceiling, and electrical lighting was met by sincere and sacrificial believers like yourself. Since the incident, our new neighbors, Sroeun and Sreykee, whose roof was also destroyed during the storm, came to know the Lord as their Saviour. So far, the roof has been replaced and the drop ceiling and lighting will be next in line. The water tower structure is also complete, and the concrete slab around our new building is about halfway done. I praise God for several of our men from our Psa Trach church who willingly and cheerfully came out all day to help do some hard-manual work in the hot and humid sun. Please continue to pray for us to have wisdom.

BOROMEY (14 years old) is the only child of a family who bought land near our new property. Upon learning about our ministry from some of our nationals, she was intrigued and begged her parents to attend one of the Sunday small groups (on her own). These past few weeks, it has been amazing to see her hunger for truth as she soaked in the Bible teaching and every material that I gave her to read about the gospel. This past month, Thy and I hosted her over for dinner and was able to clearly share the gospel with her. She trusted Christ earlier this month and hasn't missed a beat yet. Thy will be discipling her on a weekly basis. Praise the Lord! Please remember her parents, Hull and Kim San, in your prayers for salvation and also her spiritual growth. Again, please continue to pray for this new harvest of communities that God has placed us right in the middle of.

Thy and I truly appreciate you continual love, prayers, and support. We are forever grateful!

Sincerely,

Bounna & Thy Has
