# HAS FAMILY

Dear Praying Friends,

October 2019

**What an honor and privilege it is to serve our great God in the country of Cambodia!** Thank you for continuing to be co-laborers with our family, team, and ministry through your love, prayers, and support in reaching the world.

**PBCPP Building Update:** Praise the Lord! Just a couple of days ago, the final slab was poured for the auditorium level of our building. Things continue to move along at a rapid pace. We are grateful for four expenses (**Highlighted in the list below**) that was funded by churches and individuals like yourself. Please continue to pray for our team and ministry here as there is still much funds needed and work to be done. If the Lord leads you to help financially with our building, below is an updated list of (estimated) expenses that our team and ministry needs: walkway rail: \$2,800, downstairs doors: \$354, auditorium security doors & office door: \$458, windows: \$2,850, balcony stairs: \$495, **electric labor \$2,500**, electric supplies \$5,000, **plumbing labor: \$700**, **plumbing supplies: \$2,500**, exterior paint: \$3,100, interior paint: \$4,300, **roof: \$4,554**, ground floor tiles: \$3,840, auditorium tiles: \$3,780, brick labor \$6,000, and generator: \$13,500. We appreciate your faithful prayers for us during this time of building and transition.

**Romdeng and Trapang Totung Village:** We appreciate your continued prayers for this dear ministry. We praise God that this past month, Hue (a Vietnamese national), Moun and her son, Chala, all believed on Jesus. God used the godly testimonies of the national believers to bring them to conviction. Oh, the power of the Gospel! Please keep your prayers coming for the spiritual growth of these national believers, especially those who are facing persecution from loved ones. Also, please remember Poedul in your prayers for salvation. Please pray for boldness and more open doors in reaching these two villages and their surrounding communities.

**Missions Sunday:** This Sunday, our church plants will come together for a special "Missions Sunday" celebration! God has graciously allowed our ministry here to reach several ethnic groups (Khmer, Cham, Vietnamese, Kuy, and others) these past few years. It is our desire to renew and expand our focus on reaching Cambodia, Southeast Asia, and the 10/40 Window for Christ. Please pray for our upcoming special day. May the name of Christ be lifted high.

**Northern Survey Trip and Pacific Baptist Bible College Missions' Trip:** Two weeks ago, Thy and I took a special trip surveying the Cambodian northern provinces of Ratanakiri and Mondulakiri in preparation for our upcoming annual college missions' trip. My heart was burdened by the spiritual darkness and the spiritual stronghold of fear that Satan has held over this country for many years. At the same time, I am thrilled about what God continues to do through our family, team, and ministry here in Cambodia. Right after Missions Sunday (that afternoon actually), we will be taking 18 young adults on a 7-day, 6-night trip surveying Northern Cambodia. There are approximately 8,400 villages in Cambodia without any clear gospel witness. It is our prayer that God will call some of these young people to take the good news to these needy places, especially unreached people groups, many of whom have never heard a clear presentation of the gospel. Please pray for traveling mercies, and our budget, as it is very limited. **We can't thank you enough for partnering with us through your love, prayers, and financial support.** May the Lord bless you with a wonderful Thanksgiving with your loved ones.

With Grateful Hearts,
