HAS FAMILY

Dear Praying Friends,

April 2019

Greetings from Cambodia! What an honor it is to serve our Great God and the precious people of Southeast Asia. Thank you so much for your continual investment in our family and ministry.

Youth Conference in Southeast Asia #SEAYC19: God sure is good! Thy and I along with two our Bible college students, Tom and Makara traveled to a restricted access nation and also Thailand to be part of a youth conference. I praise God for the delegates from 3 different countries, at least 10 different people groups, and approximately 14 churches were represented at this year's conference. We praise God for many decisions that were made as well as the several who surrendered their lives to God. What an awesome privilege it was to have a small part in what God is doing in Southeast Asia. Glory to God!

Psa Trach Church & Bible College Prospects: Grateful for the opportunity to preach at our Psa Trach church last week. Blessed by the continued faithfulness of our national believers. Please pray specifically for these young ladies: Saudi, Srey Mohm, Srey Neat, and Channoun as they desire to attend Pacific Baptist Bible College Phnom Penh!

#RomdengVillage & Trapang Totung Village Ministries: Every Friday we travel to these two villages for a time of Bible study, fellowship, soul-winning, and visitation. Also, this past month we implemented going there one Sunday a month. We praised God that Buna (one of our faithful young men) was able to lead his cousin, Chaly 17 y/o to the Lord. We appreciate many of you who have faithfully prayed for this specific ministry; God surely is at work! The distance of these villages continue to present many challenges for us, here are some of the **prayer requests:** Traveling mercies, wisdom (discernment), needed resources, national believers spiritual growth, and these **individuals to be saved:** Grandpa Choeun, Lena, Ouksa, Rouvy, Grandpa Pheap, Grandma Ly, and Le Heng.

Pacific Baptist Church Land/Building Update: Appreciate many of you who have encouraged, prayed, and supported the vision that God has graciously entrusted to our team. We are blessed to witness firsthand the faithfulness of God and His people. Here are some of the **highlights:** We received permission to build on the land and our storage shed in near completion. **Prayer Requests:** Please pray for patience, grace, and discernment on our part; our relationship with the new community; special connections with the right individuals; our ministry giving campaign; and needed funds to complete the project. Thank you for investing in eternity through your love, prayers, and support. **We so greatly appreciate all of you. May the Lord continue to richly bless you!** *With Grateful Hearts,*
