

THE

HAS FAMILY

Dear Praying Friends,

January 2019

YOUNG MEN'S OUTING: Started the year off right by going on an overnight camping trip with some of our young men. It was such a blessing to be able to bond with both familiar and new faces. I praise God for Panon and Panha who were both recently saved through one of our village ministries. I'm also thankful for our national leaders: Bro. Man, Bro. Vannak, and Bro. Kasol's godly influence and investment in these young people lives. We had a wonderful time of fellowship, food, faith, and fun. Please continue to be in prayer for the spiritual growth of these young men; pray that they will do justly, love mercy, and walk humbly with God.

ROMDENG VILLAGE: Glory to God! Sophear and Sophach are two more names written down in The Book of Life. I praise God for the salvation of these young men. What an honor it is for us to minister in Romdeng village on a weekly basis. It is a blessing to see the continual spiritual growth of these national believers and we are humbled by their commitment to God in the midst of persecution and difficult circumstances. The testimonies of these dear believers are overwhelming; I wish I had the time to share each and every one of them with you. I will keep it short by saying, God is faithful! Please continue to pray for a hedge of protection around these new believers. Also, please remember Leab, Soan, Khorn, Koun, Phal and others in your prayers for salvation.

LAND/BUILDING UPDATE: I want to leave you with an update about our land (building) project.

The wall around our property is near completion; the next immediate step will be bringing in dirt to raise the land. This will help to provide protection from flooding during the yearly monsoon season. We appreciate the many of you who have prayed, given, and shown support to us and our team through this exciting time in our ministry. By God's grace, as the work here continues to grow, we are thrilled about how God will use this future property for our church, Bible College, and Christian school. Please continue to pray for us during this time of transition; pray for the remaining funds needed to complete phase 3, which is the building's foundation and ground level. If you have any further questions, please feel free to contact me directly. Thank you for reading to the end this report.

Thy and I are humbled and grateful for your continual love, prayers, and support. If we can ever be a blessing to any of you in any way, please don't hesitate to let us know. May the Lord richly bless you!

With Grateful Hearts,

Bounna & Thy Has
