# HAS FAMILY

Dear Praying Friends,

March 2019

As you are reading this, **Thy and I are celebrating 7 years as missionaries in Cambodia** by the grace of God, the accountability of our team, the faithfulness of the national believers, and the support of so many like you. We are humbled and grateful for your continual love, prayers, and support; we pray for much fruit that may abound to your account. From the bottom of our hearts, thank you for standing with us!

**On March 2<sup>nd</sup> our team welcomed a longtime friend, Pastor Pechardo, of Harvest Baptist Church in Daly City, California.** What a blessing it was to show him in person the future location of Pacific Baptist Church, college and school. Please remember him, his family, and the folks of Harvest Baptist in your prayers as they continue to be a light in the San Francisco Bay Area! Also, we appreciate many of you who have supported us these past few months as we have purchased the land, built the wall, and now raised the elevation of the land. **Please continue to be in prayer for our building project, here are some of the specifics:**

- ◆ *Our equipping and encouraging of the national believers about stewardship.*
- ◆ *Discernment in finding the right contractor for our building structure.*
- ◆ *Start of construction on the new building as our current lease ends in about a year.*
- ◆ *Remaining funds needed to complete this building project.*
- ◆ *Favor in having good relations with the community.*

**On March 17<sup>th</sup> our church plants came together for a time of celebrating Jesus.** We praise God for the 38 individuals who followed the Lord in believer's baptism. Glory to God! We were encouraged, equipped, and edified as we assembled to worship the true and living God. We sang together, heard testimonies, special numbers, the Word of God was preached, and we capped it all off with a rice porridge fellowship. We praise God for His grace and mercy upon our family, team, and ministry here in Cambodia.

**March 29<sup>th</sup> was another Friday where we got to serve the people of Romdeng Village.**

The Bible study here continues to grow as lives are being transformed by the power of the gospel. Sisters, Chantrea and Chantra both called upon the Lord to save them this past month. Also, it's been a blessing to see some of the elderly folks that have trusted Christ these past few months faithfully attend Bible study. Please pray for the nearby village of Trapang Totung as we have been planting the seed of the gospel there these past few months. Lastly, please pray for these individuals to be saved: Leab, Sroag, Soan, Grandpa Thlong, Chanton and Sin. Thank you! We sure do appreciate all the encouragements, thoughts, love, prayers, and support that's sent our way. May the Lord richly bless you!

With Grateful Hearts,

*Bounna & Thy Has*
