HAS FAMILY

Dear Praying Friends,

May 2019

Thy and I can't thank you enough for your continual love, prayers, and support. May 2019 is now in-the-books; it sure was a good one full of blessings from the Father above. So let's jump right into it:

Pacific Baptist Church Land/Building Update: We appreciate many of you who have encouraged, prayed, and supported the vision that God has graciously entrusted to our team. We praise God for some progress in May as we were able to put together several work days to tackle some special projects, which in turn, enabled us to save some money and also gain new experiences. Here are some of the highlights:

- We received permission to build on the land.
- We've completed our storage shed.
- We've completed our property gates and doors.
- Pray for our relationship with the new community.
- Pray for our ministry giving campaign.
- Pray for more needed funds to complete the project.

Highways and Hedges Ministry: This past Saturday, our team and ministry saturated four new communities with the gospel. These communities is in an area known as Tomnop Kob Srov, which is in close proximity to our future location. We had about 60 individuals come out for a time of soul winning, connection, and tract distribution. We split up into four separate teams with each team being led by one our college men. We praise God for the opportunity to plant seeds of the gospel and pray for much fruit as the Holy Spirit convicts their hearts. As we were sharing the gospel, a grandma shared with us that we were the first group to care enough to take the time to explain the good news of Jesus to her. Please continue to pray for the communities of Tomnop Kob Srov!

Married Couples Activity: It was an uplifting evening of faith, food, and fellowship at our Married Couples Activity. Really, to my knowledge it was probably our first official couples activity. We enjoyed a night of pictures, games, soup buffet, testimonies, and a challenge from God's word. It was such a blessing to witness our national believer's commitment to Jesus and their spouse. Also, it's humbling to remember that each of these national couples (except maybe for one) were all reached within the past few years with the gospel. Please pray for a hedge of protection around our marriages and families.

Thank you for being the reason that many are having a chance to respond to the good news of Christ. We thank you in advance for your faithful prayers. May the Lord continue to richly bless you!
