THE FIJI ISLANDS

JUNE 2019

MINISTRY & FAMILY NEWS FROM PAUL & WENDY DAKU - 2nd GENERATION MISSIONARIES

Dear Praying & Supporting Friends,

SAFE ARRIVAL IN FIJI

We safely arrived back in Fiji on **March 25th**. We are enjoying the opportunity to be back in a normal routine. The work here was in good hands during our absence. We are very excited to be back serving the Lord. The remainder of the year holds so many wonderful opportunities to win souls to Christ.

JUNIOR CAMP

In April, our church hosted our annual Junior Camp. We had our largest camp so far with **62 campers** in attendance. Praise the Lord that **fifteen** of these precious children prayed to receive Christ as their Savior during the week. Many others made Spiritual decisions to live a committed Christian Life.

KABISI FELLOWSHIP

Our second church plant is well. We recently helped one of our key families build their own home. Our church donated several hundred dollars of building materials, loaned them a generator (they do not have electricity in their home) and power tools to complete the house. **We have been conducting Sunday Services in the living room of their new home.** They said that for years people from various churches came to pray for them, but we were the first church that actually did something to help them. We have recently made contact with a lost family in this community that we are praying will come to Christ and be added to the church.

HARVEST BAPTIST CHURCH

The church stayed strong during our absence. Several families have rejoined the church in the last few months. One new family has been attending and the mother (**Sister Va**) recently received Christ as her Savior. During our weekly soul-winning, Paul recently had the opportunity to lead **Akuila**, an 18 year old teenager to the Lord in the hospital. Please pray for **Revival Meetings** scheduled for **June 30th - July 5th**.

FAMILY NEWS

We are all finally over the sickness that stuck our family back in March. During the last few months we have made a dozen trips to the Doctor and half a dozen trips to the Emergency Room. Our two year old son Ethan had a severe viral infection which threatened his life and our four year old daughter Sadie had Pneumonia for several weeks. Praise the Lord for His healing and restoration! Thank you for your Prayers!

NEW PAVILLION

The New Pavilion is in the process of being built. We have received \$1,550.00 of the \$6,000.00 needed to complete the project. Help if you are able!!!
