MINISTRY & FAMILY NEWS FROM PAUL & WENDY DAKU - 2nd GENERATION MISSIONARIES

Dear Praying & Supporting Friends,

FURLOUGH

Over the last three months we have travelled over 10,000 miles and have visited 15 of our supporting churches. Our travels have taken us to Churches in Pennsylvania, Ohio, Maryland, Missouri, New York & Tennessee. We are very thankful for all the churches who have been an encouragement and blessing to our family. Thank you also to the many families who have hosted us during our visits. We are looking forward to visiting the 30 or so remaining churches over the next seven months. We thank the Lord for giving us safety on our travels. Please pray with us for continued safety on the road.

RELIEF MISSIONARIES

We thank the Lord for Pastor & Mrs. Ravai from Fiji who have done a wonderful job overseeing the work in Fiji the past three months. They will soon be heading back to their own place of service on the island of Rotuma. Many years ago the Lord led them back to their own island of nearly 2000 people to start a new Baptist Church. Please continue to pray for them as they move forward in this important work. The beginning of September Bro. & Mrs. Smith from Georgia arrived in Fiji to replace the Ravai family. Please pray for them as they will be filling in for us over the next three months.

TEEN CAMP

In August our annual Teen camp was held. There were 85 teens in attendance with 25 precious souls receiving Christ as Savior. It was great to have Paul's brother Joshua and his wife Frances helping at camp this year. Please pray for these campers to remain faithful to the Lord.

FAMILY NEWS

Wendy fell in July and fractured her right foot. She is now almost fully recovered. The girls are enjoying the start of another school year. They are adjusting well to being on the move all the time. They are also enjoying the opportunity to make lots of new friends. Ethan, our only son, just turned two the end of August. He continues to keep all of us on our toes.
