

The Scot Daku Family —

Dear Praying Friends,

As we ponder the events of this past year, surely we can all say that we have much to be thankful for. I Thessalonians 5:18 says- *“In everything give thanks: for this is the will of God in Christ Jesus concerning you.”*

1. **Praise God** for health and safety- We recovered from Covid-19 in April with only a short ER visit. Mary Lynn arrived strong and healthy in May. She is getting bigger everyday and always has a smile!
2. **Praise God** for supporting churches- Enough cannot be said about each and every one of you faithfully praying for us and supporting us. THANK YOU! God has even allowed us to gain several new supporters this year. What a joy it has been to see many of you these last few years.
3. **Praise God** for his healing power- The middle of October, my brother Paul tested positive for Covid-19. After two weeks of being very sick and several visits to the ER, he was placed on the ventilator on November 1st. Five days later his oxygen numbers did not improve. So, doctors recommended the ECMO machine. Miraculously, he was on the ECMO for only five days. The average is 14 days. A few days later he came off the ventilator and oxygen. The doctors and nurses continue to say how they are amazed at his recovery. God's hand was all over the situation. Thank you so much to many of you who prayed! What a mighty God we serve!
4. **Praise God** for Anchor Baptist Church in Fiji- The people have remained faithful to God, even though they could not meet together for five months. They finally were able to meet together in person the end of October. Also, 2 1/2 years ago God provided a beautiful piece of church property in a great location. Recently, the last payment was made and it has been paid in full! To God be the glory!
5. **Praise God**- Our goal of \$65,000 for the building fund in Fiji has been reached! Thank you to many who willingly gave sacrificially! There is much to be done!
6. **Praise God** the borders to Fiji are open- After 21 months of closure, Fiji has finally opened its borders to visitors on Dec. 1st. Our hearts have prayed to the Lord for direction and wisdom. Scot will go back on 16th February to arrange housing, organize the land development, help his Mom and Dad travel to Fiji and make sure everything is ready for the family. We would appreciate your prayers as we begin even now to pack, organize and get ready to set out on the next adventure God has for us. We are thankful we are finally able to return to Fiji and continue serving Him there.
7. **Pray**- We still need \$7,500 for our expenses of returning to Fiji (airfare, quarantine, shipping, etc.)
