Dear Praying Friends,
Psalms 27:14- *“Wait on the LORD: be of good courage, and he shall strengthen thine heart: wait, I say, on the LORD.”* We are learning the art of waiting on God. Our original date to return to Fiji was over a year ago, but we are still here due to the pandemic. Fiji’s borders remain closed. We are reminded that God’s timing is always right.

FIJI

Since the virus broke in March of 2020, Fiji has been able to keep the country mostly virus-free. This containment was possible because of strict rules and quarantining of all returning citizens under the army’s watchful eye. Unfortunately, in the last few weeks the country has seen an increase in cases due to people breaking the quarantine rules. This has resulted in the government closing schools, factories, churches and even implementing lockdowns of cities. **Please pray for Fiji** for the virus to be contained, for people facing financial hardships, and for people to be saved!

U S A

It has been an eventful spring for our family! It was a blessing to attend mission conferences in Stratford, CT and Smithfield, VA. What a blessing to see God’s people open their hearts to the need of world-wide missions. Thank you for treating our family like royalty.

The end of April, regrettably, our family came down with COVID-19. Initially, Scot’s symptoms were minimal, but after about a week they escalated to a high fever, body aches,

shortness of breath and a trip to the emergency room. Katie’s symptoms also became more severe which required a trip to the emergency room a few days later. **Praise the Lord**, the virus did not affect her pregnancy and the baby.

Well..... without further ado we would like to introduce the newest member of our family! Baby #7, Mary Lynn Jubilee Daku, was born at 8:14 p.m. on May 13th. She was 17 days early which was a first for our family. Even though Katie had a hard pregnancy, everything went well with the delivery. God has been so good to us! Thank you for all that **prayed!**

Another answer to **prayer** is the building fund for the church building in Fiji! We are currently only \$5,000 short of our goal of \$65, 000. Thank you all for your generous, sacrificial giving.

Till He Comes,

Scot, Katie & family
